Experience

DJ Networks Pvt. Ltd. Sep 2024 – Aug 2025
Sales & Marketing Executive Gandhinagar, India

- Designed and maintained performance dashboards tracking campaign KPIs across channels, enabling data-informed decisions that increased enterprise conversions by 20%
- Built structured reporting frameworks and stakeholder-ready briefs that aligned product, sales, and marketing teams around shared campaign objectives and timelines
- Conducted competitive and customer data analysis to identify growth opportunities, translating findings into targeted proposals that measurably improved client engagement

UniqSynergy Jan 2022 – Aug 2024
Co-Founder, Brand Strategy & Growth Gandhinagar, India

- Architected brand identity, content strategy, and omni-channel marketing system for a B2C ed-tech product from zero — defining positioning, visual language, and go-to-market approach
- Ran 500+ Meta Ads and influencer campaigns that reached 1.81M users and generated 19,600+ leads on about $4K in ad spend; applied A/B testing and performance analysis to grow website traffic 40%, reduce cost per lead and lift sign-ups 30%
- Managed digital asset workflows, agency partnerships, and campaign operations across channels, ensuring brand consistency and on-time delivery at scale

Gratify Solutions Jun 2023 – Nov 2023
Marketing Analyst Intern Gandhinagar, India

- Built Tableau dashboards tracking ad spend, reach, and conversions across multi-client accounts, delivering executive-ready weekly reports to internal and client stakeholders
- Analyzed SEO and paid media performance data to surface targeting inefficiencies and actionable optimizations, reducing wasted spend across campaigns
- Conducted structured competitive analysis across verticals, synthesizing findings into clear presentations that shaped client strategy and positioning decisions

Sakha Solutions Jun 2021 – Jul 2021
Marketing Intern Ahmedabad, India

- Developed creative assets for retail and local-service clients across Instagram, Facebook, and Google; tracked CTR and engagement metrics to iterate and improve campaign performance
